

Statement of Accomplishment

Dear **Jordi Bieger**

Congratulations! You have successfully completed the free online offering of Computer Vision: The Fundamentals, offered April to July, 2012. To successfully complete this free online class, students were required to watch lectures, and complete a final exam.

We thank you for your interest in studying computer vision and for participating in our ambitious experiment to deliver quality educational content to a worldwide audience!

Sincerely,

A handwritten signature in black ink that reads "Jmalik". The signature is written in a cursive, flowing style.
